

Where Everything Comes Together!

COMMUNICATIONS

Communications companies in this day in age are able to provide technological innovation characteristics in the Communications industry more than most others and, in fact drives much of the industry's production. This unusual rapid pace of innovation requires a high proportion of engineers and other technical expertise to be able to keep up with such technological advancement.

MIS has continued to be at the forefront of such exciting breakthroughs with communication electronics programs. Our proven experience in this space continues to be the manufacturing arm to many leading communication companies.

COMMUNICATION PRODUCTS INCLUDE:

- Communication Satellite Systems
- Copper to Fiber Converters for Ethernet & Video
- Radio Frequency (RF)
- Fiber Optic Communications
- High Speed Data Link Systems
- Ruggedized Ethernet, RJ45 USB solutions

TRUST YOUR PCB ASSEMBLY TO M.I.S.

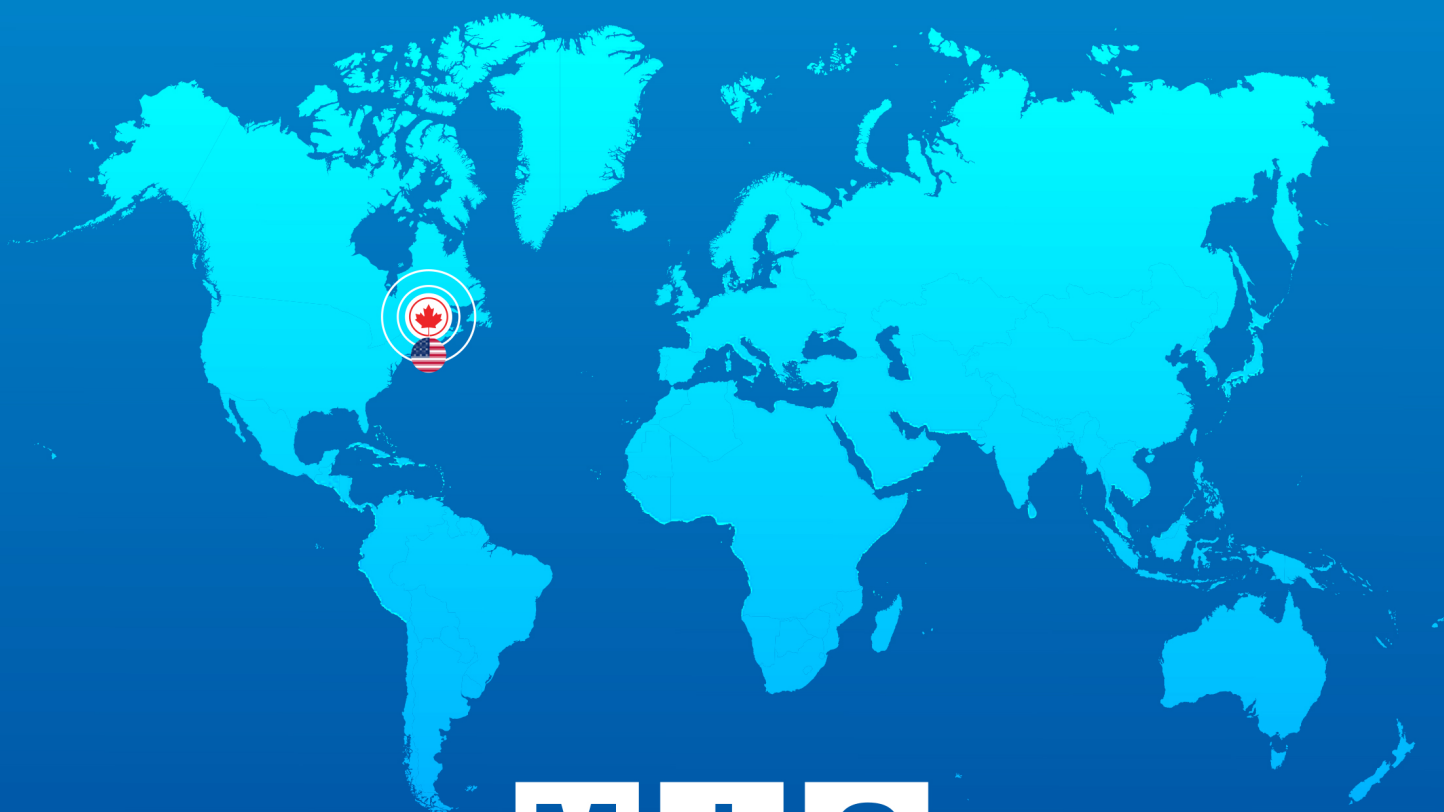

Full service contract manufacturer providing delivery, flexibility and responsiveness. M.I.S. provides high-quality components, advanced electronics assembly solutions, and superior customer service, with fully supported turnkey solutions

With over 30 years of design and manufacturing M.I.S. is a full turnkey high-mix, low to mid-volume contract manufacturer who prides themselves on providing OEM's high quality PCB assembly and electronic manufacturing. Our services include PCB system design & Board Layout, design for manufacturing, rapid prototyping and test & development services.

M.I.S. Electronics leads the industry with end-to-end custom PCB manufacturing. We are real people with a passion for electronics. If you're looking for a team of experts you can trust to reduce your operating costs

and deliver high-quality assembly, from custom PCB design to fast market-ready production, we're looking for you, too. We're excited to help you turn your concept into added revenue using the most advanced technology innovation and PCB machinery available today.

We are guided by extremely high manufacturing standards, backed by multi-stage quality control and customer care every step of the way. Our aim is to develop deep connections that lead to a lifetime partnership. So let's start an exciting conversation! We'll walk you through the process from idea to assembly to testing to delivery (all under one roof). Grow your business with a trusted North American resource that delivers long-lasting, affordable, turnkey solutions—at any volume,
